

Pop Goes the Treazil by
Xender1500

While beating around the bramble bush
We found ourselves a Treazil
The moment we took eyes off it
Pop! Goes the weasel

The Treazil cures the whooping cough
it also cures your measles
But take you eyes off for a sec'
Pop! Goes the weasel

I now have the whooping cough
My buddy caught the measles
We caught the Treazil and now we're cured
Pop! Goes the weasel

The Treazil cures the whooping cough
it also cures your measles
But take you eyes off for a sec'
Pop! Goes the weasel
